

## 2009 Community Workshops

**Saturday, September 19<sup>th</sup>**

### **Herptile Conservation Awareness and Surveying Methods**

Instructor: A host of Ontario's herptile experts

Location: Education Centre, Backus Heritage Conservation Area

Time: 10:00 A.M. to 3:00 P.M.

Cost: None (lunch provided)

Number of participants: **no limit**

This workshop will introduce participants to the diversity and identification of local reptiles and amphibians, updates on on-going herptile projects in Norfolk County, including the LPBLT *Conserving Carolinian Reptiles* project and Ontario Nature's *Herptofaunal Atlas* project. The afternoon will be a field session with the experts to provide hands-on training on how to I.D. and survey herptiles.

Workshop Partners:

**Saturday, September 26<sup>th</sup>**

### **Introduction to Birding in the Long Point Area**

Instructor: Jody Allair, Bird Studies Canada

Location: Bird Studies Canada, Port Rowan

Time: 9:30 A.M. to 3:30 P.M.

Cost: \$15/ participant (includes light lunch)

Number of participants: Limit of 25

The main goal of this workshop will be to introduce you to the birding opportunities of the Long Point and Norfolk area, discuss the basic tools needed to start birdwatching, and tips on becoming an expert in identifying birds and their song. Indoor session in the morning followed by an outing in the afternoon.

**Workshop attendance is limited. Pre-registration required - first come, first serve.**

## 2009 Community Workshops

**Saturday, October 17<sup>th</sup>**

### **Digital Nature Photography 101**

Instructor: Ron Ridout

Location: Bird Studies Canada, Port Rowan

Time: 9:30 A.M. to 3:30 P.M

Cost: \$15/ participant (includes light lunch)

Number of participants: Limit of 20

Ron will provide instruction on how to use a digital camera to take great nature photos every time. Morning classroom session will be followed by field outing to learn photography techniques in the field.

### **Saturday, October 24<sup>th</sup> – “Inspired by Nature” Art Workshop for Kids**

Instructor: Sally Gable

Location: Education Centre, Backus Heritage Conservation Area

Time: 1:00 P.M. to 3:30 P.M.

Cost: \$10/ participant (free to KFT members)

Number of participants: Limit of 25 (Children aged 8 to 13)

This workshop, for kids 5 to 12 years old, will begin with a walk in the woods to collect materials from the natural world, followed by classroom creations of “nature inspired” art and crafts with local artist and NFN member, Sally Gable. Materials supplied.
