

# *Caring* for Nature in Norfolk

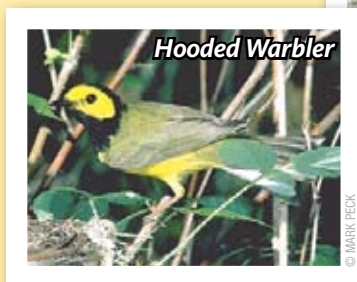

## A Carolinian Habitat *Workshop* for Landowners

To be held at:

**Wagon Wheel Produce & Corn Maze**

**Saturday, October 18, 2008 • 9 am - 3 pm**

Norfolk lies in the heart of the Carolinian Life Zone of southwestern Ontario, one of North America's most vibrant natural regions and productive working landscapes. With more wild and rare species than most other places in Canada, it ranks as a true national treasure, stewarded by a strong landowner community.

- ✓ Find out about land stewardship project opportunities in Norfolk
- ✓ Learn how you can manage habitat for wildlife, recreation & economics
- ✓ Gain knowledge about how to attract unique & fascinating Carolinian wildlife
- ✓ Self-assess your property for ecological and environmental values
- ✓ Learn about rare species, how you can help protect them and incentives available
- ✓ Get valuable tips on finding resources and potential funding sources for habitat projects
- ✓ Work with professionals on designing your own habitat
- ✓ Find out how your land fits into the Big Picture landscape
- ✓ Meet and get one-on-one advice from habitat experts and conservation partners

Cost: \$10 includes stewardship workbook and lunch

*Carolinian Canada Coalition*  
*Greening the Future of southwestern Ontario*

We are a non-profit, non-government network of diverse groups and landowners that steward southwestern Ontario's unique habitat network, green infrastructure to support thriving wild and human communities in harmony for generations.

Assistance for the project provided by the Ministry of Natural Resources and Tallgrass Ontario.
